# Proposal Scoring - List

Perform Proposal Scoring

Proposal Scoring tasks might be created to collect scores for Proposals that are part of a panel. These tasks are usually created in conjunction with panels, but after the panel reviews are complete. However, you could also be assigned a Proposal Scoring task either as a part of a panel or as an independent task.

1. Click the **Proposal Scoring** link on the left navigation menu to go to the *Proposal Scoring - List* page and view the Proposal Scoring tasks.
2. Select the task you want to work on and click the **Action** link and the **Start** link to begin.
